

Welcome to your guide to sexual health services in Camden and Islington

If you're a young person in Camden or Islington and sex and relationships are on your mind, come and talk to us at any of our services.

We can offer practical advice and testing.

Or just talk about any questions or problems you have.

Our sexual health services are for anyone aged 24 and under. It doesn't matter who you are, where you live, or what your situation is – we are here to help you, not judge you.

Camden & Islington Young People's Sexual Health Network

What can we offer you? All services are FREE AND CONFIDENTIAL:

- C-card and condoms
- Emergency pill and contraception
- Pregnancy tests and advice
- Check-ups and treatment for sexually transmitted infections
- Sex and relationship information and support
- Signposting to other services
- Counselling, mental health and wellbeing support

See inside

Where to get free and confidential help and information about sex, relationships and wellbeing

We are confidential

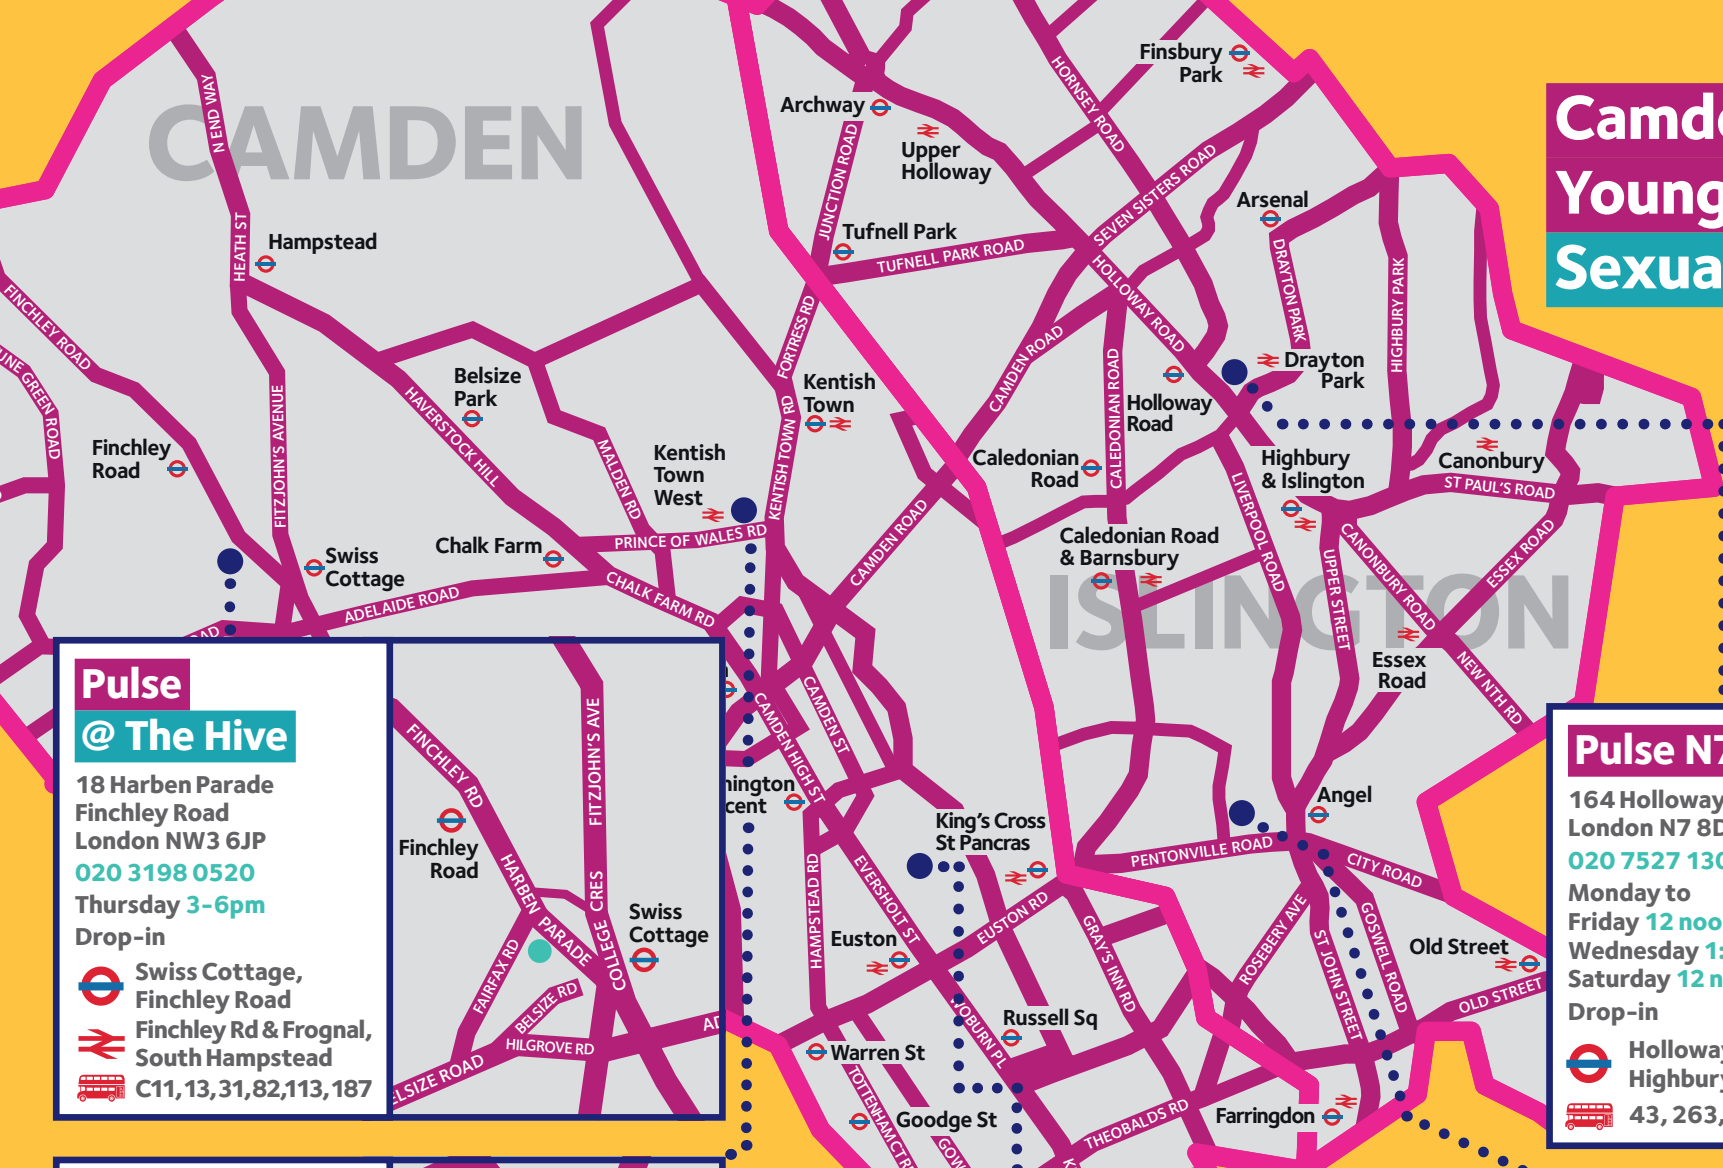

We keep your information confidential. This means that it's between you and us. We hardly ever make an exception to this rule and it would only happen if we are worried that you or another young person might come to serious harm. And of course, we would always try to talk to you first.
